OFTEN THE SIMPLEST IDEAS TURN OUT TO BE THE BEST... SEGUIN MOREAU'S NEW OPTION FOR TANKS WEDS TRADITION AND MODERNITY BY INTERSECTING OAK WOOD WITH THE TRANSPARENCY OF PLEXIGLASS.

TECHNICAL INFORMATION

Material: Transparent food-quality Plexiglass.

Visuals & Aesthetics: Every stage of vinification can be observed (formation of the marc cap, off-gas, pumping-over, release, etc.).

Technical benefit: Enables monitoring of tank filling, by replacing a level gauge.

REFERENCE & PRICE

- Patent registered in 2007
- Reference customer: Château Mouton Rothschild
- Option price: 1000€/stave
→ Possible installation of several clear staves, if not placed side by side.
